2. Veterans are eligible for open individual prizes.
3. Runners will only be awarded one individual prize of the highest prize value.
4. Cash and voucher prizes are considered a higher prize value than non-cash/voucher prizes.
5. Cash prizes will be in the form of a written cheque.
6. Where open prizes are won by veterans, the first veteran to finish in each age category who has not already qualified for an open prize will receive the age group prize.
7. Should there be any doubt of discrepancies of the results, then the Derby 10 Mile organisers reserve the right to withhold awarding a prize until the results become official (up to 14 days after the race).
8. All prize winners will be displayed on the event website within 14 days of the race.
9. Age on race day determines age category entitlement.
10. Only the first 3 females and 4 males finishers of an affiliated club count towards their respective team results. There are no 'B', 'C', etc team results.
11. Awards in the Team category apply to UKA affiliated clubs and will be calculated on cumulative time (not finishing places).
12. All prizes and categories listed are subject to amendment.
13. Prizes will only be awarded based on the information submitted through the formal entry process. If runners have failed to supply any information relevant to the prize awards, then the data may not be included in the results after the race and they may not receive the relevant prize that could have been eligible for. It is the runners' responsibility to ensure their entrant data is submitted accurately.
14. Any runner falsely claiming a prize through their entry data, by claiming to be someone else, or by any other fraudulent method will result in the prize being withdrawn from them and the runner will be reported to UK Athletics.
15. Prizes for 1<sup>st</sup> to 4<sup>th</sup> Male and Female winners will be presented on race day. All other prizes will be posted out to the winners after race day.
